# Student council is a great idea for Kids!

The student council of LIS is a great organization for all kids everywhere. They support the school by having the concession stand for UIL, socials for all of us (even though it costs to go it is still fun) and we give the money to a worthwhile event. We had an awesome Lock-In this September. Fun Fun Fun.

Mrs. Heverly of the Cheetah Team is the sponsor and the officers are:

**Deserea Coronado-Pres**

**Nick Gerber-V.Pres**

**Mayce Vegara**

**Allyson Puente**

Our Student Council helps all of us connect to school, friends and fun!!!!

## SUGGESTIONS NEEDED FOR IDEAS TO MAKE LIS A SUPER PLACE TO GO TO SCHOOL-

Taylor Lewis and Margarita Munoz challenge everyone to submit ideas to make LIS a fun place to work and also to be with your friends and teachers. Two boxes will be decorated and placed outside the principals' door to

put POSITIVE suggestions and IDEAS. Positive-Comments are always good welcome too.

## Destination Imagination has two new team managers and new teams

All right, finally, "DI" is here, and we are ready to begin our challenges. This year Mrs. Palmer has invited Mrs. Melody Turner from the Zebra Team and Ms. A. Yarbrough, our music teacher, to become team managers for the 2009-2010 year. There will be 3 teams this year and something new is the Project Outreach. Ms. Yarbrough will be the team manager for this challenge which will involve music to help tackle a community wide problem and try to form solutions to these problems which are

facing our world and communities everywhere. Her team members are: Kaili Thoms, Kailey Amos, Margarita Munoz, Faith Garza, Alyssa Tienda, and Cassidy Armes.

Mrs. Turner has the "You're Gonna Flip" Challenge which involves puppetry, script writing, Visual Arts, and her team members are: Baleigh Pugh, Tameron Duran, Chancey Critchfield, Paige Royal, Emma Stapleton, Jade Pool, Ciera Rodriguez.

Mrs. Palmer and her team mem-

bers: Megan Latham, Nick Gerber, Peyton Himango, Joel White, Kelsie Davis, Mia Rendon, Jaycee Hill will tackle the Improv challenge in which they will have to think off the "top of their head" for a solution. DI ROCKS

## Meet Mrs. Parrish and Mrs. Henderson-Amethyst Berryhill

Mrs. Parrish has been a teacher for 20 years and has a husband named Randy and 3 children. If she wasn't a teacher she said she would be an astronaut because she loves Math.

Mrs. Henderson is married to a man and has 2 daughters and one Granddaughter named Emily. She used to teach 6th grade and 3rd grade. She would play school with her dolls

and she always wanted to be a teacher. She also used to be a hair dresser. They are both on the Silverback Team. Mrs. Murillo is also on the team but, I didn't have enough time to interview her because she was gone one day.

Interviews with other teachers to be continued next month.
